Wilson' Prom was held May 2004 at the Radisson Hotel in Norfolk. The Prom started at 8 pm and did not end until 12 midnight. No one turned into a pumpkin at 12, but many went to the After Prom Party instead.

came the Party.

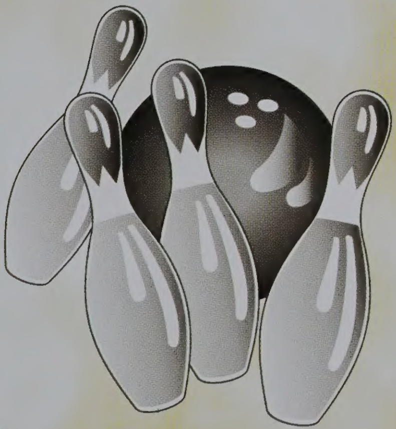
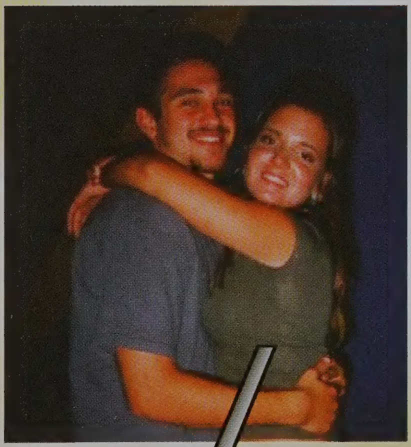
Kris Bullock and her boyfriend Tyler Montanye, strike a pose.

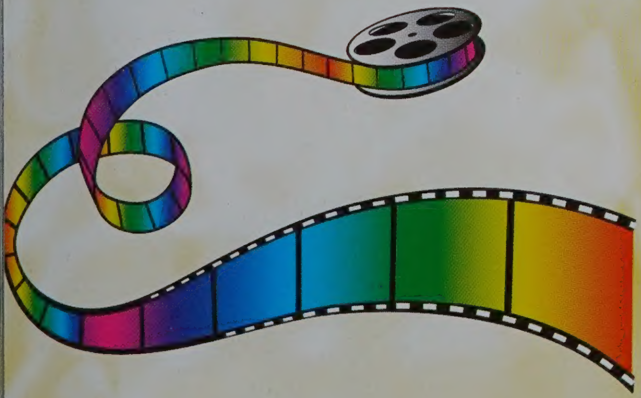
While they were there, the students played pool, bowling, putt-putt, and other fun activities. They also enjoyed dancing and watching videos. The PTSA also gave away prizes every hour such as CD's, CD players, basketballs, and gift certificates.

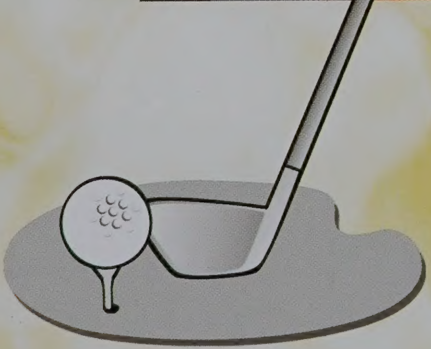
Shannon Coard and her boyfriend, Christopher Moore, stop for a snap shot.

After the Prom festivities, the Wilson students went to the AMF Western Branch Bowling Alley.









While everybody enjoyed the fun, the PTSA brought in 50 pepperoni and cheese pizzas. Mrs. Hargrove happily served it to the students. "It was hot fun." said one student.

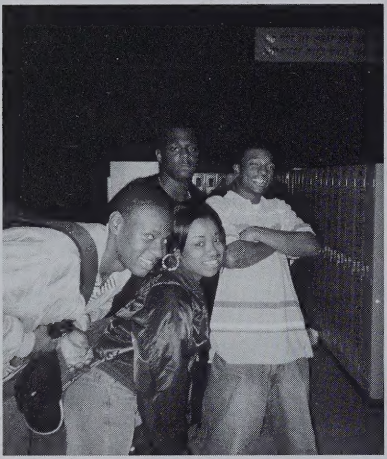
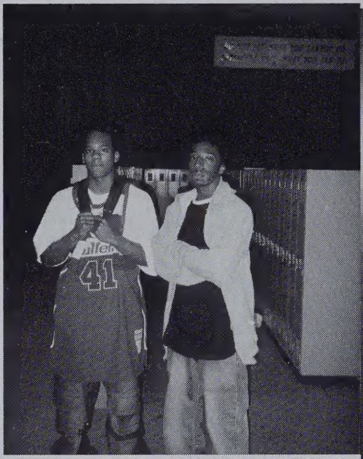
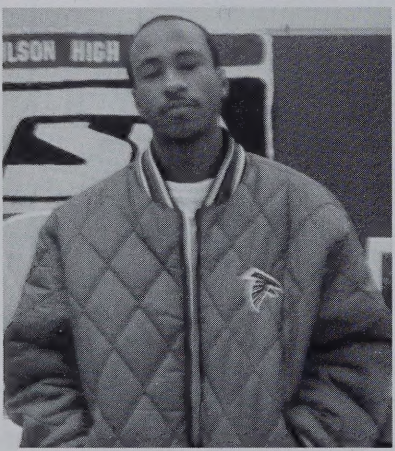
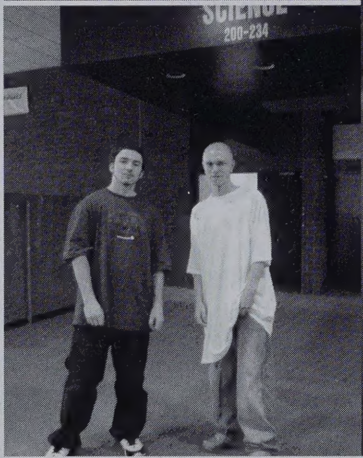
The Class of 2005, Making Memories Until the End...

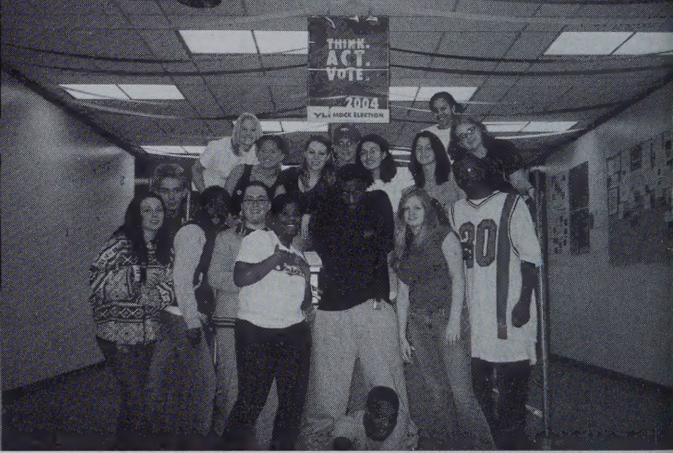




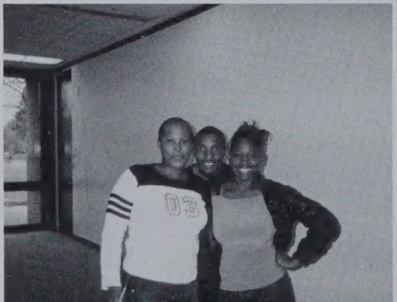


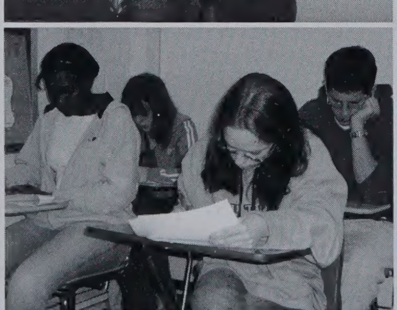


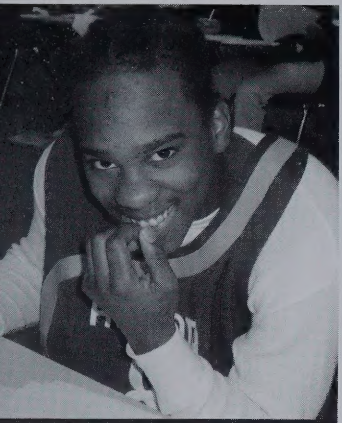
SCIENCE
200-234



THINK.
ACT.
VOTE.
2004







we're in this together

Class of 2005
It started in kindergarten,
When we were five.
We made some new friends.
And some made us cry.
We did not know why
We all went to school.
All we know it was to learn,
But that was cool.
We graduated and went,
Straight down the line.
Then we all made it,
to grade nine.
Next thing we knew,
We were in our last year.
With some of the same friends,
And with some who disappeared.
The class of 2005,
Was meant to rock.
Now its time to say goodbye,
Forget about the clock.
The time just goes fast,
When you're having fun.
At least we all know,
We're not dumb
Congratulations to,
The Class of 2005.
We will never, never
Say good-bye.

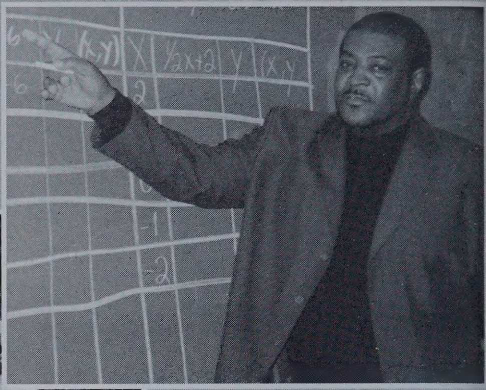
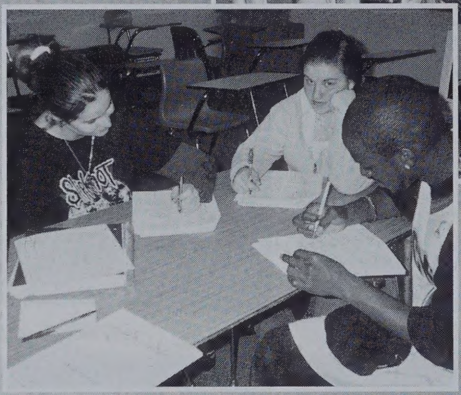
WOODROW WILSON





Computers are not so scarry anymore, students can do just amount anything on them...including prepping for the SOL's.

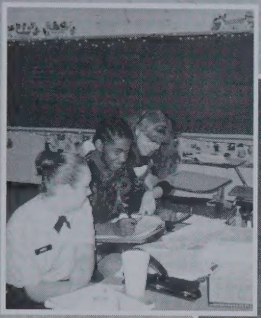
Afterschool used to mean detention, now it means prepping for the SOL's. Tanya, Kacy, and Melvin are getting ready for theirs.

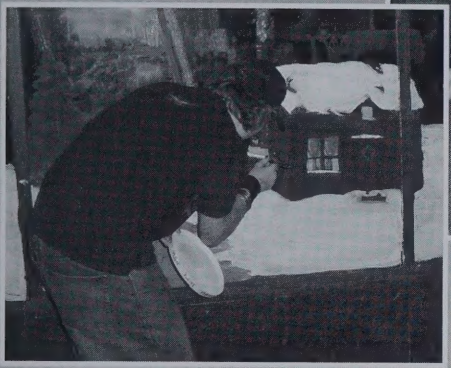
Having school spirit is the Right Thing to Have at Woodrow Wilson High School.

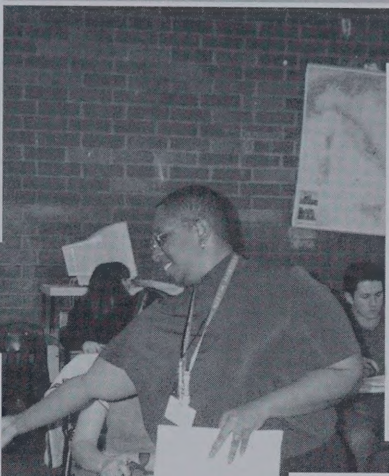
Math is not everybody's favorite subject, but it is the right thing to learn.

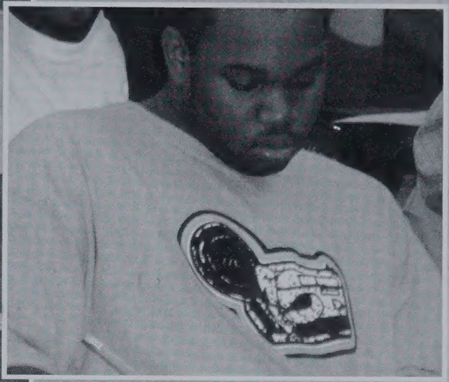
Okay Ms. Jackson, show us the right way to do math and keep u "balanced" at Wilson. Ms. Jackson is our new school treasurer for 2004 and 2005.

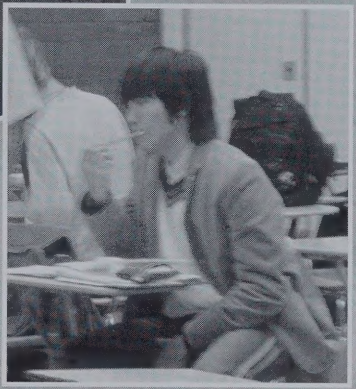
THE RIGHT THINGS TO DO











Ms. Lunsford is not teaching Habla Espanol.....(Sorry about that Spanish teachers) but Latin, the root language of English.

ur art students worked with the
ity of Portsmouth to decorate
r Christmas. Using their
tistic skills for others to enjoy.

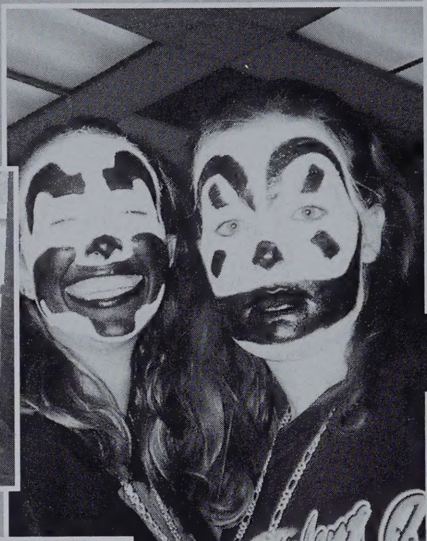
Justin Trotter decides to crack those books, instead of the drums...good choice!

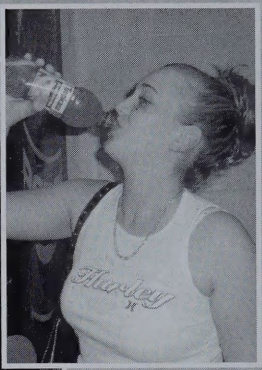
Byeong Ho takes a break from the Volleyball team to pursue another sport...academics. He plays academics well too.

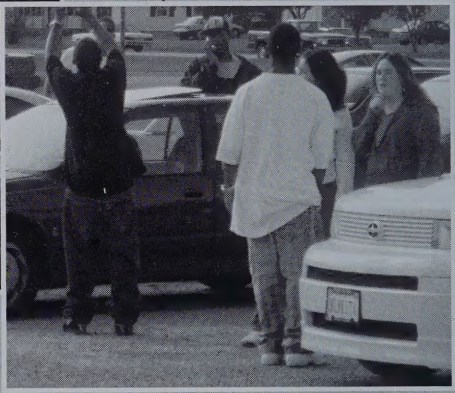
Okay Ms.Thiel, we got it!

AT WOODROW WILSON HIGH SCHOOL

WHAT "NOT" TO DO







What a makeup explosion these two had that morning!

We often amused ourselves by playing catch and listening to music by our cars while we had our monthly firedrills.

Leaving school would definitely get you suspended, but did that stop us? NOT!

These girls were referred to as the "Smokers". Smoking in the bathrooms certainly was a risk but some people were just "feenes".

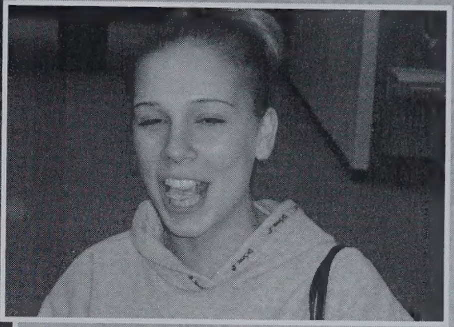
Throw that drink away! That was something we heard everyday. Our reply was always, "No Way"!

AT WOODROW WILSON

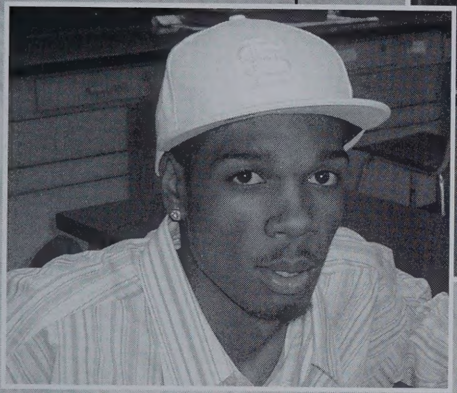
HIGH SCHOOL

Joe Wine and Billy Cross standing on top of the lockers...Did they need that much attention?

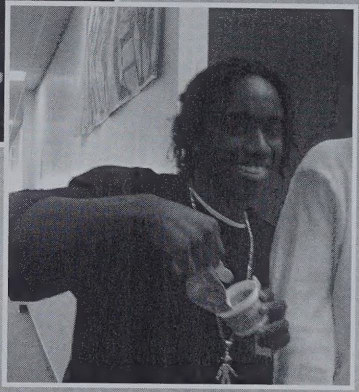
Forget something? Like real clothes!



Spit that gum out right this instant young lady!



Take that hat off son!



Food remains in the cafeteria! (Yeah right!)

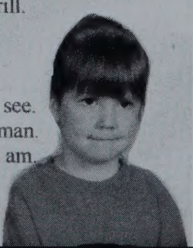
MISTY DAWN BURDETTE

DAUGHTER

Small and helpless needing her dad, just holding a finger makes me so glad.
Happy and playing that is the deal, hugging my neck just gives me a thrill.
Shy and defenseless starting to school, dad is working just like a fool.
Growing so fast can't keep up; changing her room keeps me in touch.
Looking at boys can't stand the pain, dads not the one as was so plain.
Finds that dad is not pure as can be, want's to hear what she can plainly see.
Ready to leave as fast as she can, knowing she can't still makes me the man.
Out on her own doing the best that she can, still loving her as much as I am.



Congratulations and Best Wishes
Ryan, Stephanie, Beth and Jonathan

Bridget Leigh Black

Congratulations to our beautiful, intelligent and talented daughter. You continue to make us proud everyday. You are an inspiration and will succeed in all your endeavors. Congratulations on your graduation. We are so proud of you and we love you very much!
